**Fieldfisher** is saddened to report the sudden and unexpected demise of Safe Harbour. Though rumours had persisted of its ill-health for a number of years, this recent news comes as a shock to us all.

# La sentenza sull'accordo Safe Harbor

Una decisione della Commissione non può sopprimere o ridurre i poteri delle DPA

Le public authorities non sono assoggettate al Safe Harbor

Senza limite non c'è tutela

Violazione principio di necessità

Violazione principio di finalità

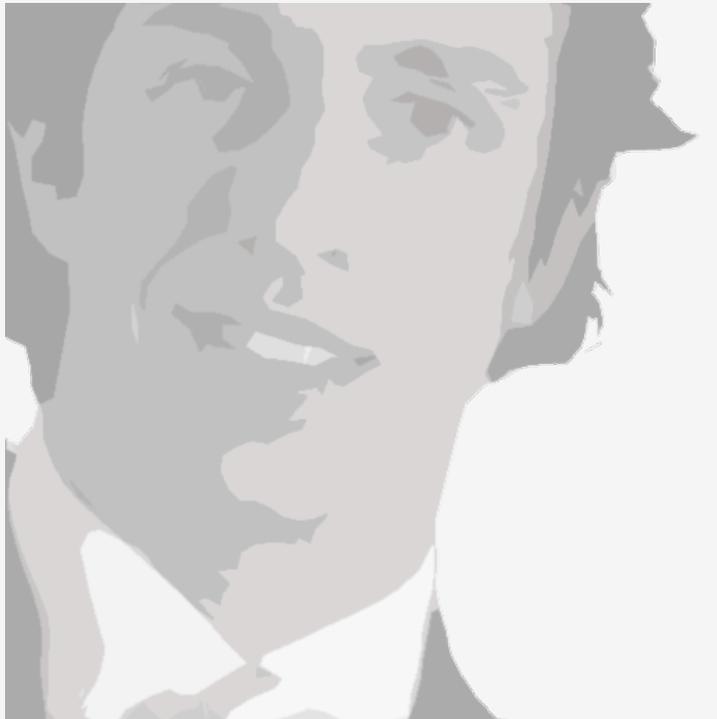

Quali diritti sono interessati?

Articolo 7  
Rispetto della vita  
privata e della vita  
familiare

Articolo 47  
Diritto a un ricorso  
effettivo e a un giudice  
imparziale

Articolo 8  
Protezione dei dati di  
carattere personale

## Quali soluzioni?

Negoziare un nuovo  
Safe Harbor ma ...

Raccogliere il  
consenso con  
conseguente,  
ennesimo, effetto  
burocratizzazione

Soluzione IT  
Ovvero  
Spostare i dati da USA  
a territori con  
"adequata tutela"

Clausole contrattuali e  
binding corporate rules
